

St Mark's C.E. Primary School & Little Lions' Nursery

Newsletter:

Dear Parents/Carers,

What a fantastic World Book Week we have had in school this week!

This week all of the children have been looking at the book 'When I grow up' by Tim Minchin. The children have absolutely loved their English focus for World Book Week. Each phase in school completed a piece of writing attached to a particular focus; the Reception children have been looking at writing captions whereas Year 1 have been exploring their hopes and dreams for the future. The Year 2 children have been focusing on recipes for the perfect future. Year 3 and 4 children have been writing explanation texts about their aspirations for the future; with the Year 5 and 6 children fast-forwarding to the future and reflecting on what they aim to achieve in life. It has been lovely to hear the children's hopes, dreams and aspirations for their futures.

On Monday this week, we had a visit from some of the teachers from St George's CE Primary School. They came to talk about reading with the children. The teachers were really impressed with the manners of the children in school and commented about their impeccable behaviour. The children discussed their favourite authors, their favourite book and who listens to them read both at home and at school. We had a lovely email of thanks from the staff, which explained how much they had enjoyed their visit.

On Thursday the children came into school dressed up as their favourite book characters; and what a wonderful day it was! From Gangster Granny to Fantastic Mr Fox, the children all looked truly fantastic. A huge thank you to all the parents for making such an effort with the costumes, the children really enjoyed their day.

Have a lovely and safe weekend!

Mrs K Ferguson

Headteacher
