## Newsletter:

Dear Parents/Carers,

It has been another very productive week at St Mark's this week, with lots of amazing learning taking place throughout school.

This week the children have been continuing on with their class readers in English. Years 1 and 2 have been focusing their learning around 'The Tempest' by William Shakespeare; Years 3 and 4 have been continuing on their journey around Narnia; Years 5 and 6 have started exploring the novel 'Holes.' It has been lovely hearing the passion the children have when talking about their class reader. Feel free to have a chat with your child about their favourite part of the story, the most important character, or how the story is similar to another story they have read.

On Tuesday, the Reception children had an absolutely fantastic trip to Smithill's Farm in Bolton. The children got to feed the animals, learn about how to care for them and there was even time for a quick ride on the farm's tractor. A huge thank you to all the volunteers that came along to support the trip, we really appreciate your continued and endless support. The children had a brilliant time, filled with lots of new learning experiences.

Please ensure that you return your Parent Consultation evening forms to your child's class teacher. These appointments will give you chance to discuss your child's progress and next steps, both academically and pastorally. This is the perfect opportunity to ask any questions you may have regarding your child's education.

Have a lovely and safe weekend!
