

St Mark's C.E. Primary School & Little Lions' Nursery

Newsletter:

Dear Parents/Carers,

We have had yet another very busy week in school this week.

The children in Little Lions' and Reception have been getting used to their new classroom and have enjoyed exploring their new and improved outdoor area. Year One and Two were visited by a mystery animal this week and the children have been carrying out a series of speaking and listening activities to try and figure out who it was. Lower Key Stage One have had a science focus this week, learning all about teeth; Upper Key Stage Two have continued looking at word problems in context. A huge thank you to all of the children in Year Six that have stayed behind for SAT boosters over the last couple of weeks, the teachers from all across school have really enjoyed working with them- I know I have!

On Tuesday, the WINGS' CE Trust said farewell and good luck to Mrs Sharples (Headteacher) at Leigh CE and wished her well on her new adventure. I attended the service, along with other representatives from the Trust; it was a truly beautiful and fitting assembly.

On Thursday when school was closed for Polling Day, all of the teachers from across the MAT came together at Central Park centre for some PE training. The staff received specialist training in warm up and cool downs, competitive games and gymnastics. The staff all got 100% involved in the activities and their competitive sides definitely came out. I know they are all very much looking forward to incorporating the ideas and skills learnt into their planning over the next term.

A reminder that the Year 6 children will be sitting their end of KS2 SAT papers on the week commencing Monday 13th May. A letter was sent out about this last week. If you have any further questions about this, please speak with Miss Hayward as she will be happy to answering any questions and further support you.

Have a lovely and safe weekend,

Mrs K A Ferguson

Headteacher
