

St Mark's C.E. Primary School & Little Lions' Nursery

7th February 2020

Dear Parents/Carers,

We have had another wonderful week in school this week!

Little Lions'- The children in Little Lions' have been concentrating on nature. The children have enjoyed making their own art work with natural materials. They have also been making bird feed which they will be putting out next week for the school's wildlife friends. The children will be observing the different animals that visit the feeders.

Reception- Reception have had a brilliant week mark making and retelling familiar stories. They have been working hard in phonics learning lots of new sounds and reading captions and sentences.

Year 1 and 2- Mrs Maylor and Mr Penning's classes have had fun working on sharing in maths this week. They have been exploring how to share objects equally.

Year 3 and 4- The children in lower KS2 have been exploring addition and subtraction of fractions in maths. They have also been enjoying learning more about the Romans in history. They are very excited for their trip next half term.

Year 5 and Year 6- Upper KS2 have continued to look at the History of Wigan and have been exploring the industrial revolution.

A huge thank you to all of the parents that attended the CFL afternoons this week; they were a huge success. Thank you for all of the positive feedback that has been shared with school about them also. I have started to compile all of your lovely comments in a parent communication book which will be displayed in the front entrance of school. Please feel free to bob in and have a look.

This week we had a delivery of some fantastic guided reading resources for the children. The English team are in the process of auditing them. The children will be able to access these in the next couple of weeks.

A reminder that next week is our trip to Chester Zoo on Thursday 13th February. If you have not already returned your reply slip, please ensure that you do as a matter of urgency. Remember this is a completely FREE trip, so let's make the most of it!

As always have a lovely and safe weekend,

Mrs K A Ferguson
