Meet the Team at St Mark's

Each year it is a real highlight to see pupils moving up to their new class: prepared, ready and excited to face the challenges and adventures of a new year group and curriculum. As you read through this booklet, you will be able to get to know the staff, who will be working with your child, a little better. We look forward to strengthening our continued partnership with you in your child's education throughout the coming year.

Mrs Coulthard – CEO

Before becoming the CEO of The Wings' Trust, I previously worked as Head teacher at Atherton St George's, one of our partner schools in our Multi-Academy Trust. I can quite honestly say that working with the wonderful children in our schools is the best job in the world. It is an honour watching them grow into happy, confident and talented children which makes the job even more worthwhile. When I am not working, I like to go for spa days, countryside walks and engaging in all types of art and design which was what my degree was in.

Mrs Ferguson – Headteacher

It has been an absolute privilege to be Headteacher of St Mark's CE Primary over the last two years. After many years of teaching across the Primary curriculum, I am thrilled to have the opportunity to work alongside such a loving team that are dedicated to providing the best possible education for your children. When asked why I choose to work as part of the Wing' CE Trust, my answer is simple; to make a difference and provide endless opportunities for our children and families within the local community. Next year, I am looking forward to welcoming the children back after such an uncertain time, continuing to work alongside the church, our families and the community, to provide a better future for our children.

In my time away from school, I love nothing more than spending time with my family and loved ones, long distance running and reading fiction novels. My proudest achievement was in October 2017 when I ran a marathon in under four hours, supporting and raising money for the MS Society; a charity very close to my heart.

I am very much looking forward to continuing on our journey as part of the St Mark's family over the coming year.

Headteacher Mrs K Ferguson

Changes to Staff This Year

At the end of the year we will be saying goodbye to Mr Rathbone, Ms Kelly-Ince, Ms De Simone and Mrs Walker. Although we will be very sad to see them go, we wish them all the luck in the world as they embark on exciting new adventures. I know they will be back to visit as often as they possibly can. Mrs Sanders will be leaving us as a Cover Supervisor, but rejoining us as a trainee teacher on the SCITT programme. I am sure you will join us in wishing her all the support & luck in the world.

In September, we will be welcoming Ms Green who will be replacing Ms Kelly-Ince in the School Office coordinator role, I am sure you will join me in offering her a very warm welcome to St Mark's.
