

# St Mark's C.E. Primary School & Little Lions' Nursery

Friday 30<sup>th</sup> September 2022

Dear Parents/Carers,

As always we have had another wonderful and extremely busy week at St Mark's!

A HUGE thank you to all of our parents/carers who came along to our Little Wandle workshop this week, it was so nice to have you back in school and brilliant to talk to you about your child's phonics journey.

This week myself and Mrs Booth attended the Headteachers Conference, it was extremely interesting to meet with other Headteachers and find out all about the brilliant practice happening across the borough.

This week our Little Lions' children have been talking about their home lives and families and creating a beautiful display of people they know. Reception have been trying extra hard in Phonics this week and have been continuing to read and explore Julia Donaldson books. Year 1 and 2 have been preparing for their trip to Southport and designing and making their own chairs in DT. Year 3 and 4 and 5 and 6 have been working hard on finding definitions in the dictionary. We saw this during one of our learning walks this week and it was fantastic to see the children refining their skills!

We have really enjoyed watching Phonics lessons throughout EYFS and KS1 this week and have spent time looking at all of the children's books and all of the excellent work they have been doing so far this year.

**Don't forget it is School Photo Day on Monday 3<sup>rd</sup> October.**

A reminder about our Open Evening on Wednesday, we can't wait to open our doors and welcome our new families, but please feel free to come along if you would like to look around school.

Next week I will be having a walk around school and popping into lessons, I am very excited to see the wonderful learning happening across school.

A reminder that we will have parent consultation evening on Wednesday 12<sup>th</sup> October, a letter about this will be coming home next week.

Thank you for your continued support, I hope you have a lovely weekend.
