

St Mark's C.E. Primary School & Little Lions' Nursery

Friday 14th October 2022

Once again, we have had another busy and wonderful week at St Mark's!

It was absolutely fantastic to welcome you all back into school on Wednesday for Parent Consultation Evening.

This week Little Lions have been enjoying the story of Goldilocks and the Three Bears and learning all about words that describe size.

Reception have been thinking about where they live and creating large scale artwork of their homes. In Year 1 and 2 the children loved their trip to Southport and are excited to write their recount of their experience. In Year 3 and 4, the children have been scientists, investigating electricity and making complete and incomplete circuits. Year 5 and 6 have finished their wonderful writing about the Lake District and are learning all about rivers and how they change.

On Thursday we were delighted to get back to St Mark's church for the first time in a long time. The children were exceptionally well behaved, and took part in a Harvest service led by rev. Will and the Ethos Team. We can't wait to go back to church again soon!

Next week we have another busy week, don't forget we break up for half term on Friday 21st at the usual time and return to school on Monday 31st October.

I hope you all have a fantastic weekend!
